## **DETAILED ACTION**

### ***Allowable Subject Matter***

Claims 1-20 are allowed.

The following is an examiner's statement of reasons for allowance:

Regarding claims 1, 6 and 12, the prior art of record fails to specifically disclose a method, apparatus and system comprising a wireless communication handset having a first set of at least one wireless communication component that supports at least a first and a second cellular system and a handset interface in communication with the first set of at least one wireless communication component; a first modular cartridge having a second set of at least one wireless communication component that provides a first set of wireless communications features for the first cellular system and a first cartridge interface in communication with the second set of at least one wireless communication component and configured for removable connection to the handset interface; and a second modular cartridge having a third set of at least one wireless communication component that provides a second set of wireless communications features for the second cellular system and a second cartridge interface in communication with the third set of at least one wireless communication component and configured for removable connection to the handset interface.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
